**FUTURITY SHOW AND SALE**

**BOWLING GREEN, KENTUCKY**

**SATURDAY, MARCH 18, 1961**

Undeafated junior get-of-sire of 1960 was this trio from Ashbourne Farms, La Grange, Kentucky. They are just one of the many strong herds consigning to this sale.

This will be the twelfth year the Kentucky Futurity has been held at Bowling Green. It has always been a good sale from both the buyers' and sellers' viewpoint. We feel this year will be no exception. I have visited a number of the herds and the sale cattle are equal to or better than those of past years.

We have several new consignors this year. We are pleased to welcome them. They typify the increased activity in Shorthorns throughout this area. Many more strong new Shorthorn herds are needed to supply the growing demand.

I would also like to thank all of those connected with the Kentucky Department of Agriculture for the wonderful support they are giving the registered cattle industry. Not only does this support come in the form of show premiums, but they are helpful in many ways in promoting better livestock and more efficient marketing.

We hope you can be with us.

*William Meacham*

President, Kentucky  
Shorthorn Association

On the front cover — Hollis Hanson, Connersville, Indiana, proudly displays his 1960 National Kentucky Futurity Grand Champion Bull, Silverheels Souvenir. Also shown in the picture are S. J. Stokes, Jr., immediate past president of the Kentucky Shorthorn Association and Barbara Bergen, 1960 Kentucky Shorthorn Lassie Queen.

Winners of the Luther K. Rice Trophy in 1960 for Best Group of Three were these entries from William Meacham, Sturgis, Kentucky. The bull on the left was the reserve grand champion and was purchased by S. D. Mitchell, Lexington, Ky.

## 11 YEARS – 645 HEAD – \$313,300

A number of years ago, the Kentucky Legislature passed an act setting up a special premium fund for National Shows and Sales of each of the major beef breeds. They had a definite purpose in mind. The aim of this far-sighted legislation was to generate recognition the nation over for Kentucky as an outstanding source of supply for the finest registered seed stock . . . much as it is regarded as the finest source of Thoroughbreds. Secondly, by holding these sales in Kentucky, it was only natural that a large share of the best cattle would stay in the State to build stronger herds. Also, with these premiums as attractions, Kentucky breeders were stimulated to breed better cattle and take an increasingly larger part in the Futurity themselves.

In the eleven years this sale has been held at Bowling Green, a total of 645 head have been sold for \$313,300 . . . or an overall average of \$485 . . . to cattlemen from 20 states and Canada. These are prices that leave profit on both the buyers and sellers side of the ledger.

Anyone who has ever been connected with the management of a registered cattle sale knows how difficult it is to talk breeders into parting with their very best at auction. We are able to do it in this sale because of the generous premiums offered in the show. Please remember that every animal in the show will be sold at auction. This is your opportunity to share in the benefits of the Kentucky Futurity program.

# GENERAL SALE INFORMATION

**LOCATION:** The Western Kentucky State Teachers College Farm which is on the outskirts of Bowling Green, Kentucky.

**TIME:** Show 9:30 a.m. Sale 12:30 p.m. Lunch will be served on the grounds, Saturday, March 18, 1961.

**SALE HEADQUARTERS:** Western Hills Motel, Bowling Green.

**TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

**HEALTH:** All cattle will be sold according to the health laws of Kentucky. Interstate health charts will be provided, but all buyers should make themselves aware of any deviations from Kentucky law that might be applicable to entry into their own states. Brucellosis: All cattle will have a test for Bang's within 30 days of the sale, unless they are officially calfhood vaccinated and under the minimum age, or unless they come from Bang's Certified herds. T. B.: All cattle will have a test within 30 days unless they come from Federally Accredited herds.

**GUARANTEE:** The cattle are to be sold under the standard guarantee of the American Shorthorn Breeders' Association. Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by consignors. The Kentucky Shorthorn Association, the consignors, the owners of the sale facilities will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of those attending. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerk of the sale assume any liability of any kind. The sale manager was retained by the Kentucky Shorthorn Breeders' Association for the specific tasks of compiling the sale offering, preparing the catalog, handling advertising and publicity, transferring pedigrees and disbursing receipts and assumes no liability for fulfillment of guarantees or errors in health papers.

**Towalla Mercury News** — Has never seen a nurse cow but has been a "good doer." He is our first calf by Whitehall Everlasting. His sire sold for \$5,000 and his dam for \$3,000 at the Gardhouse sale. The dam is out of a great cow which was the daughter of a great son of Calrossie Mercury and the granddaughter of another, and her sire was a half brother to the 1957 grand champion female at the International. Her mother also was out of a cow which had the same dam as the same International grand champion.

**Louada Principal.** One of the top selling sons of Calrossie Armada. Shag-Bark herd sire and sire of Lots 24 and 57.

**Burnton Everlasting,** \$5,000 imported sire. He is the grandsire of Lots 23 and 61 in the Thomas Waller consignment.

## The University of Kentucky Performance Testing Program . . .

Largest of its kind in the nation. The results in 1960 were the same as those in 1959 — Shorthorns led the major beef breeds in **every** category.

Thousands of calves are a part of these tests. The tests are made by University of Kentucky beef cattle specialists on the farms of the owners. The calves are weighed on portable scales. Their average daily gain is figured from birth to the weaning period. Adjustments are made for such items as creep feeding, age of dam, etc. Type score is given and this also has a bearing on index value. The index value is a combination of gaining ability and type.

We congratulate the University on this excellent program — and the Kentucky Shorthorn breeders who once again proved shorthorns are **BEST IN EVERY WEIGH**.

**Brookdale Renown** — A good roan heifer by the reserve champion bull of the 1954 Kentucky Futurity, for which I paid \$1,800. Her dam, Brookdale Violet, is by a son of Pittodrie Upright that sold in Scotland for \$63,000. Senator Model, her sire, has three crosses of Calrossie Mercury, Thos. E. Wilson's great bull.

**U K Whitehart.** Champion Shorthorn steer, 1959 Kentucky State Fair, 1960 Denver and Fort Worth, Reserve Champion, 1959 International. He was the first calf by Ringwell Lodestar dropped at the University. Lot 5 is by Ringwell Lodestar. Two heifers in the Holt consignment are by his son, Lodestar's Beacon.

# **STANDARD GUARANTEE**

**endorsed by the  
AMERICAN SHORTHORN ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

# **JUNIOR JUDGING CONTEST**

We would like boys and girls interested in livestock to attend this show and sale. To make it interesting, a Junior Judging Contest will be held in connection with the show. Any 4-H or Vocational Agriculture member attending will be eligible to participate.

All participants must be registered and receive their judging cards by 9:00 a.m., at which time the show will begin. Three classes will be designated for junior placings. You will have a specified time to make your placings, handing the cards in before the judge makes his official placings.

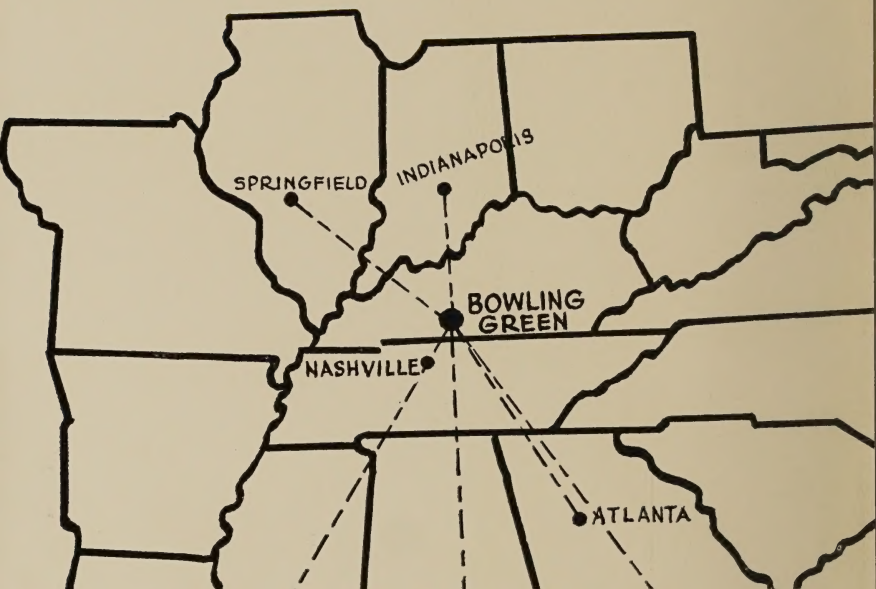

Three prizes will be awarded. These will be credits on the purchase of any animal in the sale in the amounts of \$100 (first prize); \$65 (second prize); \$35 (third prize). These credits are not transferable, and are void at the conclusion of this sale. Should any prize winner not use his credit in the sale, an appropriate plaque will be sent to him instead through the courtesy of the Kentucky Shorthorn Association.

Whether you are a prize winner or not, you will learn by and enjoy testing your judging skills upon one of the finest groups of Shorthorns to be sold this spring. The judge, Don Hutzel, himself a former member of the winning Pennsylvania State University judging team, will give reasons on placings in these classes.

We would also like to express our appreciation to all those connected with Western Kentucky State College. They have worked hard to get the facilities in order and have made all who attend this event feel welcome.
